COVID Conferences

What do you need to know?

Mandatory training is essential and while our hotel is open for key workers accommodation, we are accepting bookings for our meeting rooms. Please contact a member of our team if you have an enquiry and see below some handy hits and tips for organising a training meeting.

All meetings must be socially distanced, we have provided layouts allowing 2m social distancing between delegates for 3 of our meeting & event spaces.

Air-conditioning or fans are not permitted, all our meeting rooms have windows which can easily open and The Strathearn Suite has direct access to a private garden via large glass doors which can be open and accessible throughout the day for the delegates' comfort.

Self-service buffets are not permitted, we can provide pre-booked catering and packed lunch options in line with government regulations, please discuss your requirements with us and we can confirm your options.

Do you need exam conditions? The classroom layout below is based on 1 delegate per 6ft table.

We can offer the following –

- One-way traffic flow in The Loch Maree Suite or when The Strathearn & Glengarry are booked together
- Dedicated entrance and private ladies/gents' facilities exclusively for your delegates, applies to bookings in The Loch Maree Suite, ideal for bookings which require strict social distancing and no sharing of communal spaces with hotel guests.
- 32 comfortable bedrooms
- Private taxi transfer from Edinburgh Airport, Waverley, Haymarket or Bathgate Railway stations, Glasgow Airport or Glasgow Queen Street or Central Railway stations.
- Catering options including contactless packed lunches
- Video Conferencing
